PASTOR'S MESSAGE

Thanks to Everest Locksmith for completing the side entrance: they added a bumper seal onto the threshold to insulate the area, fixed the narrow south door so that it opens and closes freely, and also lubricated the latch of the elevator door on the parking lot level.

Jemcor adjusted the microswitch on the opener of the south elevator door, and the same procedure applies to the opener on the east elevator door. They are evaluating whether to replace these problematic switches, or bypass them making the elevator manual only. At a later date, we will replace the two openers in the elevator cab and the closers on the three levels with an opener/closer on each level. Repeated failures are frustrating, but their new employee specializes in these types, so we hope for greater reliability although the elevator is old.

DISCIPLE MAKER INDEX SURVEY

St. Bernard Parish is on a journey know, love, and serve Christ in our parish community. Together we must embrace Christ's vision for missionary discipleship so our parish can thrive and be a place for others to grow together in faith.
The very first step in this process involves **assessing our greatest strengths and opportunities**, and that is where the **Disciple Maker Index (DMI)** comes in! The DMI is an important survey tool that invites you to reflect on your discipleship journey here at St. Bernard. The Disciple Maker Index is designed to invite parishioners to reflect on their journey of discipleship, enable parish leadership to make data-driven decisions and help parishioners grow in their faith.

The 10–15-minute survey can be accessed through an online link from 1-31 December and will ask you to reflect on your own spiritual growth and enable you to provide your perspective on our parish's efforts to help you grow in relationship with Christ.

All responses will be confidential, and the parish will only receive information about the community as a whole. We will share the link with you a bit closer to the launch of the survey. Paper surveys will also be available for those who do not have the ability to complete the survey online.
